The President's Corner

Thank you to everyone who attended our Sept event! Not only was learning about Channel One and all the great things they do (and how to they do it) exciting, but I'm hoping we showed them just how efficient us supply chain an operations folks are at packaging peppers 😊 I'm tossing around the idea of making this volunteer event an annual activity, so I'd love to get your feedback on if you've got ideas for another non-profit or volunteer activity we could do or if you'd be willing to volunteer again at Channel One.

We've got some great events coming up, like this month's tour of All Flex, so I hope to see you soon!
